

# Republicans Work to Lower Gas Prices

After two consecutive years of fuel prices surpassing the \$5 per gallon mark in communities across Arizona, Republican state lawmakers are working to ease the financial burden hitting hardworking Arizonans when they fill their gas tanks.

State Senate and House Republicans recently highlighted a plan to prevent out-of-control price hikes at the pump by addressing fuel blend requirements in Arizona, which garnered state-wide media coverage.

Senator Justine Wadsack speaking to reporters at the Capitol.
